

WVU Annual Season Ticket Raffle

Worthy Brothers,

The WV Knights of Columbus WVU Annual Season Ticket Raffle is underway for the 2024 WVU football season. Raffle tickets were distributed during the WV Annual State Convention last weekend, May 17-19, 2024. All Councils should receive tickets from their District Deputies, if not already received.

Gentlemen, as discussed during the Convention, the success of this raffle and the others the WV State Council sponsors, directly correlates to the level of charitable outreach the WV Knights of Columbus can provide during the Fraternal Year. This new Fraternal Year provides each of us a new opportunity to recommit ourselves to doing the work that benefits so many in need. My hope is this year's efforts far exceed those of last year. Let us then strive for the best outcome and our results will naturally follow.

The drawing for this Raffle will take place on August 16, 2024. The first home game is scheduled for August 31, 2024.
